

IMPORTANT INSTRUCTIONS TO CANDIDATES FOR CBT

01. All Candidates are advised to take the Mock Exam whose link is provided in your Registered E-MAIL / SMS in order to login and test the software and system requirements as already specified during online application and ensure that your device is able to login and perform as desired. Your mock exam session shall be duly logged. If any candidate fails to take the same, he/ she cannot later complain of system non-conformance. Mock exam is to get you accustomed to the software as well as test your hardware. **Final Exam Link shall be same as mock exam link.**
02. CBT can be taken from Home PC / Laptop / Android Phone / Tablet following basic requirements stated below:
- Basic system requirements :
- Windows Operating System 7, 8 or 10, or updated Android version
 - Candidate can appear for the exams through their Android phone also.
 - The updated version of Google Chrome Browser .
 - WEBCAM / Mobile Phone Front Camera** in working condition. This is a COMPULSORY requirement for Logging in.
 - Uninterrupted Internet connection of 1 Mbps or more for 60 mins.
 - All Pop-ups/notifications should be disabled in the browser / phone to avoid disruption.
 - RAM: Minimum 2GB ; UPS / Fully charged battery
03. DISQUALIFICATION CRITERIA : Candidature shall be declared Disqualified if any of the following criteria is violated during HOME CBT
- Candidates are not allowed to leave their room or table for any purpose during the entire duration of test. Hence he/ she is advised to prepare themselves before hand. Any picture which finds you missing from desk shall be a cause for disqualification.
 - Candidates found talking or taking phone calls or with another mobile in hand
 - Visibility of any other person in the room or around the candidates during the test duration.
 - Candidates who try to minimize the browser or open another tab shall be warned and their test will be automatically logged out and treated as malpractice. Hence please ensure all pop-ups / notifications/ sms / whatsapp messages are blocked temporarily.
 - Switching off / hiding the camera / microphone during the course of exam
 - The software records any effort to take Screenshots / Print screens and shall be a cause for disqualification of candidate.
 - Attempt to Multiple Logins from different devices will lock the exam or lead to rejection
04. Do not close the exam window or browser or else your test will be submitted automatically.
05. In case you get logged out abruptly from device, try to re-login or else please call/ e mail helpdesk. Do not try to do any other activity on your PC/laptop/Android phone during the examination period.
06. Once you complete the test, then Press the " SUBMIT BUTTON", only after first 30 minutes of test.
07. However, both the devices must have a Webcam or Mobile Phone with Front Camera. In case you have any issues from Desktop/Laptop/Mobile phone, you may logout and switch to other device immediately, if desired. But, multiple logins are not allowed and will get logged out unsaved.
